HAWAII PRODUCTS PREFERENCE

In Accordance with Subchapter 1, Chapter 3-124, Hawaii Administrative Rules (HAR), the purpose of the Hawaii Products List is to promote the use of products mined, excavated, produced, manufactured, raised, or grown in Hawaii. This subchapter provides the procedures for qualifying and registering products on the Hawaii Products list. The Hawaii products preference shall apply to solicitations issued pursuant to sections 103D-302 (IFB) and 103D-303 (RFP), HRS.

The manufacturing cost of a Hawaii Product shall constitute no less than twenty-five percent of Hawaii input. Depending on the amount of Hawaii input, the product shall be classified as Class I, Class II, or Class III. For evaluation purposes, the price of the Hawaii product shall be decreased by its applicable 3% (Class I), 5% (Class II), or 10% (Class III) percentage of preference.
